Denny Cearns named office manager for David Evans and Associates, Inc., Bellevue, Wash., office

PORTLAND, Ore. – Nov. 10, 2008 – Denny Cearns has been promoted to office manager of David Evans and Associates, Inc.'s (DEA) Bellevue, Wash., office. Since joining DEA in 2007, Cearns has been working as the regional transportation leader for the firm's Puget Sound offices.

Cearns has been involved in public infrastructure development for more than 30 years. Prior to joining DEA, he worked as the northwest regional manager for DMJM Harris and was also the CEO and president of Entranco until it was acquired by DMJM. He has a bachelor's degree in civil engineering from the University of Washington, and he is a registered professional engineer in Washington.

Since its founding in 1976 in Portland, Ore., DEA has become a recognized leader for progressive and sustainable design and management solutions for complex transportation, land development, energy, and water resources projects nationwide. The firm has 21 offices in seven states and employs more than 900 people. Its staff includes professional engineers, surveyors, planners, landscape architects, and natural resources scientists. DEA is an employee-owned corporation and consistently ranks among *Engineering News Record's* Top 100 Pure Design firms in the U.S. DEA is also ranked No. 73 on Fortune's 2008 100 Best Companies to Work for list. The firm and its staff are committed to improving the quality of life, while demonstrating stewardship of the built and natural environments.
